Re: Account of Mike Holoyda,
S.W.¼ 16-24-6-W4.

Dear Sir:

During the years 1919 and 1920 while homesteading the above mentioned land, Mr. Mike Holoyda received seed grain as a loan from the Government of Canada. The loan was secured by a lien on the title of the land of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $1,111.32 of which $314.50 is principal and $796.82 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

Dear Sir:

RE: Account of Mike Holoyda
S.W. ¼ 16-24-6-W.4th

In a letter dated February 29, 1956, you were advised that there was an outstanding account charged against the above mentioned land which stands in your name for seed grain which was advanced to Mr. Mike Holoyda by the Federal Government in the years 1919 and 1920. The amount outstanding is $1,111.32 of which $314.50 is principal and $796.82 is interest.

Our records indicate that no answer has been received from you to date. This may mean that our previous letter has gone astray, or that because of unforeseen circumstances you have been unable to reply. As we stated in our previous letter the Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and, in cases where the amount of the indebtedness is large compared to the value of the land, or other circumstances exist, to recommend a reduction in the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the lien.

As Mr. Gordon was in default with respect to residence and cultivation, please say if you will confirm the cancellation of his entry, or do you consider that in view of considerable residence duties performed by Mr. Gordon, and also in view of the fact that the land appears to be more difficult to cultivate than ordinary prairie land, a Homestead Inspector's report should be asked for with a view to reinstating Mr. Gordon in his entry.

Cancelled homestead-Arthur E. Gordon.

Mr. Gordon obtained entry on the 6th June, 1913.

Cancellation proceedings were instituted on the 14th October, 1916.

The entry was cancelled in the absence of any defence on the 14th December, 1916, and the applicant fir inspection was given thirty days notice to come forward and make entry on the same date.

On the 26th ultimo the Agent rescinded his notice to the applicant for inspection, in view of the statutory declaration received from Mr. Gordon pro- 23rd Dec. 1916 testing against the cancellation of his entry. The declaration submitted by Mr. Gordon is as follows:-

"I have been in continuous residence thereon from 10th June to 15th December, 1913, from 3rd January, 1914 to 28th October, 1915. In 1913, I broke 6 acres which have been und r crop in 1914. In 1914, I broke one acre more. In 1915, I cleared 10 acres more which are ready for breaking and have erected 1½ mile of rail fence. I dug a well 16 feet deep. I built a log house 17X21. On account of lack of means I made a contract with a farmer of Killam to work for him for one year from 1st April last to first April, 1917 in order to earn enough money to buy a team of horses. I am now living with my wife and 3 children in Killam where I am obliges to stay to first April next. I never received any notice of cancellation and never knew anything about it before yesterday. As the applicant for cancellation has not taken possession of my quarter no filed on it, I ask the Department to take my case under consideration and to allow me an extension of time till first April, 1917, in order to resume residence thereon and to complete my homestead duties

MR. HUME:

N.W.¼ of 22-49-5-W.5th M.
Re application for re-instatement.

Mr. Gordon obtained a homestead entry on the 6th June, 1913. Cancellation proceedings were instituted on the 14th October, 1916. The entry was cancelled in default of a defence being fyled on the 14th December, 1916.

The Agent re-called the notice which he sent the applicant for cancellation before the expiration of the thirty days allowed him to make entry in view of the receipt of a statutory declaration from Mr. Gordon showing that he had practically completed the residence portion of the settlement duties. The entry, however, was in default with regard to the performance of cultivation.

The case was submitted by Mr. White on the 24th ultimo and, in view of the former entrant's statement that he had not been advised of the institution of cancellation proceedings, the Agent was requested to report whether the notices of the institution of proceedings were returned "undelivered" by the post office authorities.

The Agent now reports that the notices to show cause addressed to Mr. Gordon at Burtonsville and Linlale were not returned, but that the final notice (I assume notice of cancellation of the entry) addressed to Burtonsville was returned "Uncalled for".

The former entrant's statement of settlement duties completed is set out on Form 58 (marked) and shows the requisite residence completed in three years when calculated by calendar years. The cultivation completed is only seven acres, but an additional ten acres has been cleared which apparently shows the land difficult to work.

Sir,

The Agent of Dominion Lands at Edmonton has reported your desire to take advantage of the privileges authorised by the Order-in-Council of the 28th of February last, by engaging as a farm labourer during the current year and receive credit for the time so spent as residence in connection with your entry.

In reply I am to say that your entry for the North West ¼ of Section 22, Township 49, Range 5, West of the 5th Meridian, was cancelled for the non-compliance with the regulations with regard to the performance of cultivation.

It was decided, however, to re-instate you in your entry provided you would crop the seven acres of cultivation completed in the year 1914, and increase the area of your breaking by ten acres before the 15th July next, and it does not appear possible to re-instate you under any other condition.

Encl.

You may, however, engage as a farm labourer but it is essential that the cultivation be completed either by yourself or on your behalf.

I enclose herewith the circular letter referring to the Order-in-Council of the 28th February and a blank form of statutory declaration to be used in making application for leave of absence from the homestead.

I beg to acknowledge the receipt of your notification, on Form 40, to the effect that Mr. A. E. Gordon's entry for this qu rter-section had been cancelled, and also Form 154, allowing Jacob A. Klump thirty days within which to come forward and make entry for same in his own name.

This action is not understood in the Department, as there is no evidence on file to show that cancellation proceedings were instituted against Mr. Gordon's entry, and I would, therefore, ask you to take no further action towards disposing of this quarter-section and you should furnish this office with a full explanation in this connection.

At the same time, I might refer you to your letter of the 10th September, 1920, enclosing a Homestead Inspector's report, from which it would appear that Mr. Gordon has made application for patent for this quarter-section, and according to the Homestead Inspector's report, may have completed sufficient residence and has twenty-seven acres broken, but the Inspector recommended that this breaking should be placed under crop during another season.

Entry granted 4th June, 1913.

This entrant applied for patent in April, 1909, but his application was not corroborated by the evidence of two witnesses and the Agent had an Inspector visit the land.

The Inspector reported 25 acres under cultivation valued at $100.00 with fair improvements on the land. He recommended that the entrant sell all the land he had broken in another year to earn patent. The application was returned uncompleted as the Inspector was unable to get witnesses.

In April last the Department received a copy of a notice of foreclosure indicating that the entry had been cancelled on application for inspection. The Agent was requested to explain his letter of the 27th April last reports that he received application for patent on [illegible] and that apparently for 4' was sent home by the [illegible] cancellation was [illegible] 3rd April.

I beg to acknowledge the receipt of your letter of the 16th ultimo enclosing a copy of form No. 41, with regard to the cancellation proceedings outstanding against this entry. In this connection it is noted that the form gives as grounds for cancellation, "non-compliance with regulations, improvements value $ 50.00", whereas a Homestead Inspector's report on this land, dated the 13th August, 1920, shows cultivation valued at $ 190.00 with fair buildings and fencing. Under the circumstances it has been decided to instruct you to have another Homestead Inspector visit this land and report fully as to the improvements. Kindly endeavour to have the Inspector furnish the report with as little delay as possible.

MEMORANDUM:

MR. HUME.

N.W.¼ 22-49-5, W.5th Meridian.
Homestead - Arthur E. Gordon.
Date of entry-6th June, 1913.

Cancellation proceedings were instituted against the above entry in behalf of J. A. Klump on the 21st September, 1921. The applicant for cancellation declared that the improvements were valued at $50.00 only, and that the entrant was not complying with the regulations.

The entry was cancelled on the 3rd April, 1922, because of the entrant's failure to file a defence.

The notice of the institution of cancellation proceedings on Form No.41 had become detached from the file and the Agent was asked to report the date of the institution of cancellation proceedings and to forward a duplicate copy of the notice of commencement of the proceedings.

The case was submitted on the 5th June, 1922, when it was decided not to confirm the cancellation of the entry because of a report from one of our Homestead Inspectors dated the 13th August, 1920, which valued the cultivation at $190.00 and contained statements that there were fair buildings and fencing on the land; also that there was a good well.

The Agent was instructed to have the Inspector investigate. The report now at hand is as follows,-

"Present address - Not known.

"Residence performed-

"So far as I can ascertain from "settlers, entrant has his residence duties "completed. Buildings all burned. Fence all "broken down and of no value."

"Cultivation-

"About 27 acres broke, some of this "was cropped two or three years but at least 12 "acres was not cropped at all. This is all gone "back now and of no value.

ELIGIBILITY FOR SOLDIER GRANT ENTRY:

"Settler" means a person who at any time during the war has been therein engaged on active service in a military force:—

(1) of Canada—and has served out of Canada; or, wherever he may have served is, by reason of disability incurred or aggravated as the result of such service in receipt of a pension; or,

(2) of his Majesty or of any of His Majesty's Allies—and, being ordinarily resident in Canada when he enlisted in or otherwise became a member of such force, has served thereafter out of Canada, in a theatre of actual war; or,

No Soldier Grant Entry shall be made to any settler who,—

(a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,

(b) has pursuant to the provisions of the said Act or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of, any land; or,

(c) is owner of or has a vested possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated, or which, in the opinion of the Board, is of the value of five thousand dollars.

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers.

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS.

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the morning of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

Re: Account of A.E. Gordon,
N.W.¼ 22-49-5-W5.

Dear Sir:

During the year 1915 while homesteading the above mentioned land, Mr. A.E. Gordon received relief as a loan from the Government of Canada. The loan was secured by a lien on the title of the land, of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $172.37 of which $65.00 is principal and $107.37 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should wirte to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the liens.

Yours very truly,

C.K. LeCapelain,
Chief, Lands Division.

Dear Sir:

Re: Account of A. E. Gordon
N.W.¼ 22-49-5-W.5th

In a letter dated the 1st of February, 1956, you were advised that there was an outstanding account charged against the above mentioned land which stands in your name for relief which was advanced to Mr. A. E. Gordon by the Federal Government in the year 1915. The amount outstanding is $172.37 of which $65.00 is principal and $107.37 is interest.

Our records indicate that no answer has been received from you to date. This may mean that our previous letter has gone astray, or that because of unforeseen circumstances you have been unable to reply. As we stated in our previous letter the Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and, in cases where the amount of the indebtedness is large compared to the value of the land, or other circumstances exist, to recommend a reduction in the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the lien.

Yours very truly,

C. K. LeCapelain,
Chief,
Mining and Lands Division.

Mr. Belanger has offered and paid the sum of Sixty-five dollars ($65.00) for a full compromise settlement. He is attempting to secure a loan and requires a clear Title to put up as security. It will be noted that the offer together with the previous payment exceed the principal advanced.

In view of the fact that Mr. Belanger's circumstances are such that he has to seek a loan I recommend that the offer be accepted. I further recommend that after application of the sum of Sixty-five dollars ($65.00) the account be adjusted so that it will stand paid in full and the corresponding lien be released.

Yours very truly,

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1915 relief amounting to $65.00 was advanced to A. E. Gordon on the security of the above-mentioned land. A payment of $22.65 was received in 1924 and applied to the interest. The present standing of this account is:-

Principal	Interest	Total
$65.00	$120.37	$185.37

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief.

Therefore, it is recommended that the Dominion indebtedness listed above be cancelled without any payment, and the liens be discharged.

Dear Sir:

This office is attempting to determine the present citizenship status of one RULAND LEGRAND CROSBY, born Naper, Nebraska, on September 17, 1895.

This man filed on a homestead consisting of 320 acres four miles northeast of Bowmanton, Alberta, about 1913 and farmed a portion thereof until 1924. He claims that he never received a title to the land and that it was abandoned.

For the official information of this Service will you please advise me what your records show as to the information furnished by this person as to his citizenship status in connection with this parcel of land and whether he did or did not receive a patent?

Thanking you in advance for your cooperation in this matter, I remain,

Respectfully,

Dear Sir,

I have received your letter of March 4th, your file 5074/38, and have examined the homestead records in an endeavour to obtain the information you require regarding Roland LeGrand Crosby.

Ruey LeGrande Crosby obtained homestead entry for the S.W. ¼ 20-15-3-W 4th Meridian on December 9th, 1913. He stated that he was 18 years of age on September 17th, 1913, born in S. Dakota, U.S.A., and was a British subject through the naturalization of his father, George R. Crosby. When he applied for patent he signed his name "Roland Le Grand Crosby" and furnished an affidavit that this was the correct and true spelling of his name. As evidence that he was a British subject, he forwarded his father's certificate of naturalization issued in 1913, and a declaration that when he attained majority he did not renounce British citizenship. Homestead patent issued in his name on May 11th, 1921. He also obtained pre-emption entry for the S.E.¼ of this section but did not obtain patent as his pre-emption was cancelled in October, 1926. His last known address was 147 Granite Street, Ashland, Oregon.

Your Files Nos. 3029438 and
3072218

I am in receipt of your letter of the 11th ultimo, and in reply would advise that the SE¼ 20-15-3-W.4th Mer., was patented on the 30th of March, 1914, and is no longer under the jurisdiction of this Department.

The SW¼ 20-15-3-W.4th Mer., is held under Grazing Lease No. 33172. This lease issued for a term of twenty years, computed from the 1st of September, 1942.

The above half-section is located outside of the homestead lease area, and it is unlikely that the SW¼ 20-15-3-W.4th Mer., will be used again for farming purposes.

Re: Account of R. LeGrand Crosby
S.½ 20-15-3-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1919, 1920 and 1922 seed grain amounting to $477.00 were advanced to R. LeGrand Crosby on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 477.00	$ 1,077.77	$ 1,554.77

Patent was issued in the name of R. LeGrand Crosby for the S.W. 20-15-3-W4 on the 11th of May 1921, subject to the 1919, 1920 liens and later becoming subject to the 1922 lien.

The S.E. 20-15-3-W4 was formerly the pre-emption of the debtor whose entry was cancelled on the 13th of October 1924. Title now stands in the name of J. John Rieger clear of all encumbrances.

In reply to our questionaire concerning the S.½ 20-15-3-W4 of the 11th of March 1952, V.A. Wood, Director of Lands, Department of Lands and Forests, Province of Alberta, wrote as follows:

"The SW¼ 20-15-3-W4th Mer., is held under Grazing Lease No. 33172. This lease issued for a term of twenty years, computed from the 1st of September, 1952.

The above half-section is located outside of the homestead lease area, and it is unlikely that the SW¼ 20-15-3-W4th Mer., will be used again for farming purposes."

As there is no longer any security of value, it is recommended that the indebtedness be cancelled and the liens discharged.

Ottawa, 13th May 1914. 191

MEMORANDUM:-

With reference to Mr. Drake's memorandum of 6th instant, file 580227 T.C.I.I beg to bring to your attention the Commissioner's instructions, 23rd February 1914, H.O. file 3068083 in connection with the above described land.

On the 7th February last the Agent was advised to make this land available for homestead entry in the usual manner, but on the 21st idem he was asked by Mr. Greenway to withhold this quarter section from disposition pending further instructions. See memo file 3068083.

Under a new decision, issued by the Commissioner to this Branch (as mentionned above) the Agent was advised to repost the land in the usual way and to make it available for entry, then the Agent properly disposed of the same.

Respectfully submitted,

N. O. Cote, Esq, I.S.O.

advertisedfor homestead entry. I then took the matter up with the Agent of Dominion Lands, who replied on March 2nd that the land was vacant and had been reserved in accordance with the Commissioner's telegram of the 21st ultimo. Relying on this information the Department advised Mr.Angell that the land was reserved which practically amounted to " a promise to sell". He signified his willingness to proceed with the scheme.

On April 28th, in order to be doubly assured that reservation would be noted I requested the Patents B Branch to note the same when they advised me that the homestead entry had been granted for this quarter section on the 7th April.

It now appears that the Commissioner's telegram referred to by the Agent of Dominion Lands was from the Commissioner of Dominion Lands, not the Commissioner of Irrigation. However, I do not think that any other interpretation than that made by this Branch could have been placed on the Agent's letter of March 2nd, viz.- that the reservation had been made in connection with Mr.Angell's application to purchase.

In view of the fact that this land, according to all reports,including that of the homestead inspector, is entirely unsuitable for homesteading- being very hilly and in most parts a mass of rocks. I am inclined to think that the person homesteading it has done so in ignorance without seeing the land,or maliciously, in order to prevent Mr.Angell getting a sypply of water; also in view of the fact that this Department had been dealing with Mr. Angell's application since October,1912. Notwithstanding the evident mix up in some of the Branches in disposing of this land, I beg to recommend that the homestead entry granted to Mr. F.Crowson on March 6th for the said S.W.¼ of section 17 ne not confirmed.

Respectfully submitted,

Ottawa, May 16th, 1914.
MAY 19 1914

MEMORANDUM:-

In October, 1912, Mr. Joseph Hicks, of Macleod, made application on behalf of Mr. Solomon Angell to purchase, under the irrigation system, the S.W.¼ of section 17, township 9, range 27, west of the 4th meridian, which was vacant, stating that the land was useless for farming- being only a mass of rocks and hills. From the application, it was not clear whether he wished to purchase the land outright or just get control of the water supply thereon for irrigation purposes on land owned by him.

There was some delay in having the inspection made as the location was some distance from other inspections. However, it was finally made in September last. From this inspection it was learned that Mr. Angell would only require about 40 acres lying in the valley of the quarter section, in order to provide a reservoir site and right of way; from this he would be able to irrigate about 90 acres of his own land (see sketch attached hereto).

On February 13th the Commissioner of Irrigation advised that the land, according to the records of the Agent of Dominion Lands, at Lethbridge, stood in the name of the Calgary & Edmonton Land Co. The Patents Branch reported the land vacant and to be advertised

have a fair chance of having his application to lease the land considered.

It transpires, however, that on the 6th of March, Mr. Fred Crowson appeared before the Sub-Agent at MacLeod and made homestead entry for the land.

There is something peculiar, however, in connection with this entry. You will notice that it was taken before the Sub-Agent at MacLeod on the 6th of March and at that time the land was not available, but according to the stamps on the face of the application it would appear as though it had not reached the Agent at Lethbridge until the 7th of April, at which time the ten days' posting had expired and the land was available to the first applicant.

S U M M A R Y.

1st.- The land was not withheld from disposition in order that priority might be given to Mr. Angell for the entry.

2nd.- If it is found that the homestead entry was properly made, it should stand.

3rd.- Before taking any action in regard to the matter, it would be advisable to have the Agent report in connection with the manner in which the entry was granted and as to how it comes to be dated in the Sub-Agency on the 6th March and only received and put through his office on the 7th of April, and why the Sub-Agent should take an application for entry when the land was under reservation and also why the entry was put through the Agency in view of the date on which it was taken.

(SGD) R.R.M.

Mr. Cory:- I am inclined to think the date on the application is merely a clerical error. However, it might be enquired into to make sure. If the entry was properly obtained, it should stand.

MEMORANDUM:-

Mr. Greenway.

S.W.¼ of 17- 9- 27- W.4th M.

Referring to Mr. Drake's Memorandum, hereunder, in regard to the above land and in connection with which Mr. Cory asks for a report.

On the 18th of February last, Mr. Cory instructed you to have an inspection of this particular parcel made as soon as possible, at the same time requesting Mr. York to inform Mr. Angell who apparently had applied for the land as a grazing lease, of the terms upon which such grazing leases are now granted. Mr. Cory also remarked that if the parcel was found to be of a class suitable for grazing and Mr. Angell was the first eligible applicant therefor, subsequent to the date upon which the land was made available, his application could be given consideration.

Before taking any action in connection with the matter, we called for a standing of the land from the Patents Branch and on the 20th Feb. Mr. N.O.Cote advised you that, according to his letter of the 7th idem, the land had been posted and was apparently available, no entry having been reported thereon.

You then wired the Agent of Dominion Lands at Lethbridge for a standing of the land and instructed him, if available, to withhold from disposition, pending further instructions.

The Agent replied stating that the land was vacant and on the 23rd Feb., Mr. N.O.Cote was instructed to advise the Agent to repost the land in the usual way, and on the same date Mr. York was instructed to advise Mr. Angell of the terms on which grazing leases might be granted, and, providing he was the first eligible applicant subsequent to the date on which the land was made available, his application could be given consideration in the usual way.

Mr. Drake is entirely wrong in the conclusions which he draws in his Memorandum as to the telegrams sent out. The action taken by wire withholding the land from disposition was taken in order that the advice, being given Mr. Angell through Mr. York, might reach him in such time that he could

Sir,

With reference to the entry granted Mr. Fred Crowson for the South West quarter of Section 17, Township 9, Range 27, West of the 4th Meridian, I am directed to point out that although the application for entry was taken before the Sub-Agent at Macleod on the 6th of March, 1914, (when the land was not available) according to the stamp on the face of the application it would appear as though it had not reached you until the 7th inst. time, at which time the ten days posting had expired and the land was available to the first applicant.

Under these circumstances, I am to call upon you to furnish a report setting out the manner in which the entry in question was granted as to how it came to be dated in the Sub-Agency on the 6th of March while only received and put through in your office on the 7th of April and why the Sub-Agent took an application for entry when the land was under reservation and also why the entry was put through in your office in view of the date on which it was taken.

Sir,

Referring to your letter of the 29th ult., your Files 3068083-580227, I beg to advise you that the application of Mr. Fred Crowson of Macleod, to homestead the South West quarter of Section 17, Township 9, Range 27, West of the 4th Meridian, was made before the Sub-Agent at Macleod on the 6th April last, but the Sub-Agent in error dated the application the 6th March. This is borne out by the fact that the Sub-Agent's receipt No. 115786, issued in favor of Mr. Crowson is dated the 6th March, while the receipt preceding this, No. 117585, issued in favor of Mr. W. Homestead Fred. Crowson, 6th March, 1914.

In February last the Deputy Minister advised you that application was made to lease this land by one, Solomon Angell, and instructions were given that if he was the fi st applicant after the land became available and the land was suitable for grazing, he might be given consideration.

The land having been posted by the Agent, the Agent was instructed to withdrawn same, and on the 23rd of February he was instructed to re-post, and on the same day Mr. York was instructed to advise Mr. Angell of the terms of instructions above given.

In the meantime, entry for the land was made by Mr. Crowson at McLeod, but it was pointed out that while the application before the sub-agent was dated the 6th of March, the stamp on the face of the application was dated by the Agent at Lethbridge on the 7th of April.

The Agent was asked for an explanation and now states that it is quite clear that the application was made before the Sub-Agent at Macleod on the 6th of April, the numbers of the sub-Agent's receipt being consecutive and that the date was given the applications in error.

It would also appear that Solomon Angell is willing to forego any claim in connection with this land, as he states that there is a homesteader thereon and it would therefore seem that Mr. Crowson's entry might now be confirmed.

North East of 17 and the North East of 10 and the Town Lots which would result in an allotment to each of $81.70 and they recommend that the allotment of $81.70 in so far as the Town property is concerned, be written off and the liens removed from that property without the requirement of any payment since the prior mortgagees have sustained a loss thereon.

N.E.17-9-27-W.4th Mer.

It is represented that title to this quarter is now owned by the Municipality who have received an offer of $800.00. The Board represents that in addition to $81.70 representing the Dominion allotment to this quarter, the indebtedness in the sole right of the Province and the 50-50 indebtedness be also equally divided as between this quarter and the North East of 10 which will result in the charges against this quarter resting in the amounts of:-

Dominion	50-50	Provincial
$81.70	$242.25	$697.67.

They recommend that the sum of $800.00 offered the Municipality for this quarter be pro rated as between the various claims which will result in an allotment to the Dominion lien of $52.71 and to the 50-50 of $156.38. They further recommend that upon payment of those amounts the liens registered against the said land be discharged and the proportionate balance of said liens as allotted to this quarter be written off as uncollectable.

N.E.10-9-27-W.4th Mer.

Amounts Allotted:-

Dominion	50-50	Provincial
$ 81.70	$242.25	$697.67

It is represented that title to this quarter has also passed to the Department of Municipal Affairs but that they have not sold and that those amounts be retained as a charge against this quarter until a sale has been effected and further application for adjustment made.

The report and recommendation of the Adjustment Board appears just and equitable and I would suggest the preparation of the necessary Memorandum to Council.

These instructions have been sent to Mr. Stevenson at Brandon, Manitoba, and Roseglen, Alberta. Kindly convey instructions to him at any other address you may be aware of.

Sir,

Re S.E.¼ 20 - 15 - 3 - W. 4th M.

I beg to draw your attention to the cancellation proceedings which are outstanding against your land above described. Up to the present time no defence has been received from you.

Shortly after these proceedings were instituted, it was decided, owing to the failure of the crops in the land districts of Moosejaw, Swift Current, Maple Creek, Medicine Hat and Lethbridge, to protect all entries in such districts until the 1st of April, 1915.

In view of the crop failure, the Department wishes to extend to settlers every possible leniency, and, under the circumstances, it has been decided to give you until the 1st of July, 1915, within which to furnish the Agent of Dominion Lands at Medicine Hat with satisfactory evidence that you are in residence as called for by the terms of your entry, and that it is your intention to comply faithfully with the regulations.

If you fail to comply with the above instructions, the Agent will cancel your entry summarily and dispose of the land in accordance with the regulations.

Dear Sir:-

re S. E. ¼ 20 - 15 - 3 W. 4th- Your File xxxxx
3078 18- H. Stevenson-

Your favor of 16th March last to Mr. Stevenson has been handed to us for reply. Mr. Stevenson notes your remarks in reference to extending the time for completion of homestead duties owing to failure of crops in this district to 1st July 1915, and asks us to point out to you that at the time he made this entry, namely 1st March 1906, it was made under the law relating to ranches, whereby a rancher might secure Patent for 160 acres upon proof of a certain number of cattle being on the land and a shelter provided for them. And he paid you the entrance money in accordance with these provisions, and the obligations on him, in connection therewith were carried out, and he does not consider that the Department should now treat this entry under the Homestead regulations, and he tells us if you will refer to his application that the above statements will be borne out, and considers, if the Department insists in considering this land as Homestead land that his entrance fee, namely $10. should be refunded to him.

Kindly let us hear from you as to this, and oblige,

Yours truly.

Dear Sir:

I have received your letter of March 4th, your file 5074/38, and have examined the homestead records in an endeavour to obtain the information you require regarding Ruland LeGrond Crosby.

Ruey Legrande Crosby obtained homestead entry for the S.W. ¼ 20-15-3-W 4th Meridian on December 9th, 1913. He stated that he was 18 years of age on September 17th, 1913, born in S. Dakota, U.S.A., and was a British subject through the naturalization of his father, George R. Crosby. When he applied for patent he signed his name "Ruland Le Grand Crosby" and furnished an affidavit that this was the correct and true spelling of his name. As evidence that he was a British subject, he forwarded his father's certificate of naturalization issued in 1913, and a Declaration that when he attained majority he did not renounce British citizenship. Homestead patent issued in his name on May 11th, 1921. He also obtained pre-emption entry for the S.E.¼ of this section but did not obtain patent as his pre-emption was cancelled in October, 1924. His last known address was 147 Granite Street, Ashland, Oregon.

Re: account of h. LeGrand Crosby
S.½ 20-15-3-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:

In 1919, 1920 and 1922 seed grain amounting to $477.00 were advanced to R. LeGrand Crosby on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 477.00	$ 1,077.77	$ 1,554.77

Patent was issued in the name of R. LeGrand Crosby for the S.W. 20-15-3-W4 on the 11th of May 1921, subject to the 1919, 1920 liens and later becoming subject to the 1922 lien.

The S.E. 20-15-3-W4 was formerly the pre-emption of the debtor whose entry was cancelled on the 13th of October 1924. Title now stands in the name of J. John Rieger clear of all encumbrances.

In reply to our questionaire concerning the S.½ 20-15-3-W4 of the 11th of March 1952, V.A. Wood, Director of Lands, Department of Lands and Forests, Province of Alberta, wrote as follows:

"The SW¼ 20-15-3-W4th Mer., is held under Grazing Lease No. 33172. This lease issued for a term of twenty years, computed from the 1st of September, 1952.

The above half-section is located outside of the homestead lease area, and it is unlikely that the SW¼ 20-15-3-W4th Mer., will be used again for farming purposes."

As there is no longer any security of value, it is recommended that the indebtedness be cancelled and the liens discharged.

I am enclosing your letter of the 12th instant and also letter of the 5th instant from the Old Age Pensions Board, as our File No.2746275 for the above-mentioned land was transferred to your Department. It would appear that their letter was for your Department.

We received a letter from the Board dated the 8th of September, 1954; a copy of our reply is attached for your information. Again we received a letter dated the 17th of September and to this we did not reply, as it appeared to us that the letters crossed in the mails.

Homestead entry of Mike Sholake

Date of entry 2nd June 1914

I beg to call your attention to the fact that this entry is now over five years old. Please take ordinary cancellation proceedings at once on the ground of failure to apply for patent and at the same time instruct a Homestead Inspector to report.

If no defence is filed and if the Inspector's report shows no duties performed, you may at the end of the sixty days and on receipt of the required report, carry out cancellation if aware of no reason to the contrary, dealing with the land and reporting your action here in the usual way.

In all other cases where a defence is filed or where the Inspector's report shows any duties performed, you should refer here before cancelling.

In every case the Inspector should give full information as to the nature of the land, using the blanks provided in the form of report for that purpose. The fullest possible information should be given in regard to duties and improvements.

Inspectors should make careful enquiry to find out whether the entrant may possibly be on military service or may be a returned soldier.

In any case where there is some special condition existing which would render it inadvisable not to dispose of the land in the ordinary way under entry to soldiers, the report should contain full particulars and the matter should be referred here before any action is taken.

A copy of any letter or form issued by you should be sent here to complete Head Office record.

If an application for patent has been received it would not be necessary to act upon these instructions.

Your obedient Servant,

Upon cancellation of this entry reservation please send triplicate of letter of cancellation to Mr Scott to be listed.

Sir,-

Re: S.W.26-55-9-W.4.

I am in receipt of yours of the 15th instant advising that the sum of $65.94 has been paid to the credit of the Relief advances made by your Municipality on the security of the above described quarter and that the balance is to be cancelled in view of the fact that title has been taken by the Province under the Tax Recovery Act.

In this connection I beg to state that although this Department has not as yet been called upon to remit 50% of those advances under the agreement with the Province, nevertheless it is presumed that such a demand will eventually be made. The liens were attached to patent when the same issued in the name of M. Skolski, the Lienee, in May 1923 and the proper channel through which a cancellation of the balance due can be obtained is by application to the Seed Grain Adjustment Board, McLeod Building, Edmonton and I would, therefore, suggest that you place the details of this case before them for their consideration and recommendation.

I am investigating the indebtedness of this man to the Municipal District of Laurier for seed grain and relief.

He was the owner of the above mentioned quarter section, and upon search of title I find that there is a Crown lien registered against it in the amounts of $51.00 and $101.50 respectively. I shall be glad if you will let me have the present standing of this account.

We have been unable to identify from our records any account that would warrant continuation of the Liens referred to. As the name of the debtor has not been supplied, we took the necessary steps to obtain an Abstract from the local Land Titles Office and attach hereto photo copies for your information.

Re: Account of Mike Sokulski
S.W.¼ 20-55-9-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

Joint-Provincial and Federal advances of relief amounting to $152.50 were made to Mike Sokulski in 1920 on the security of the above-mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$152.50	$459.18	$611.68

The Provincial authorities have advised us that these liens are not registered against the title to this land.

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief. The Province of Alberta has agreed to cancel their share of the Joint Federal-Provincial indebtedness.

Therefore, it is recommended that the Joint-Provincial and Federal indebtedness listed above be cancelled without any payment.

DOMINION LANDS BRANCH

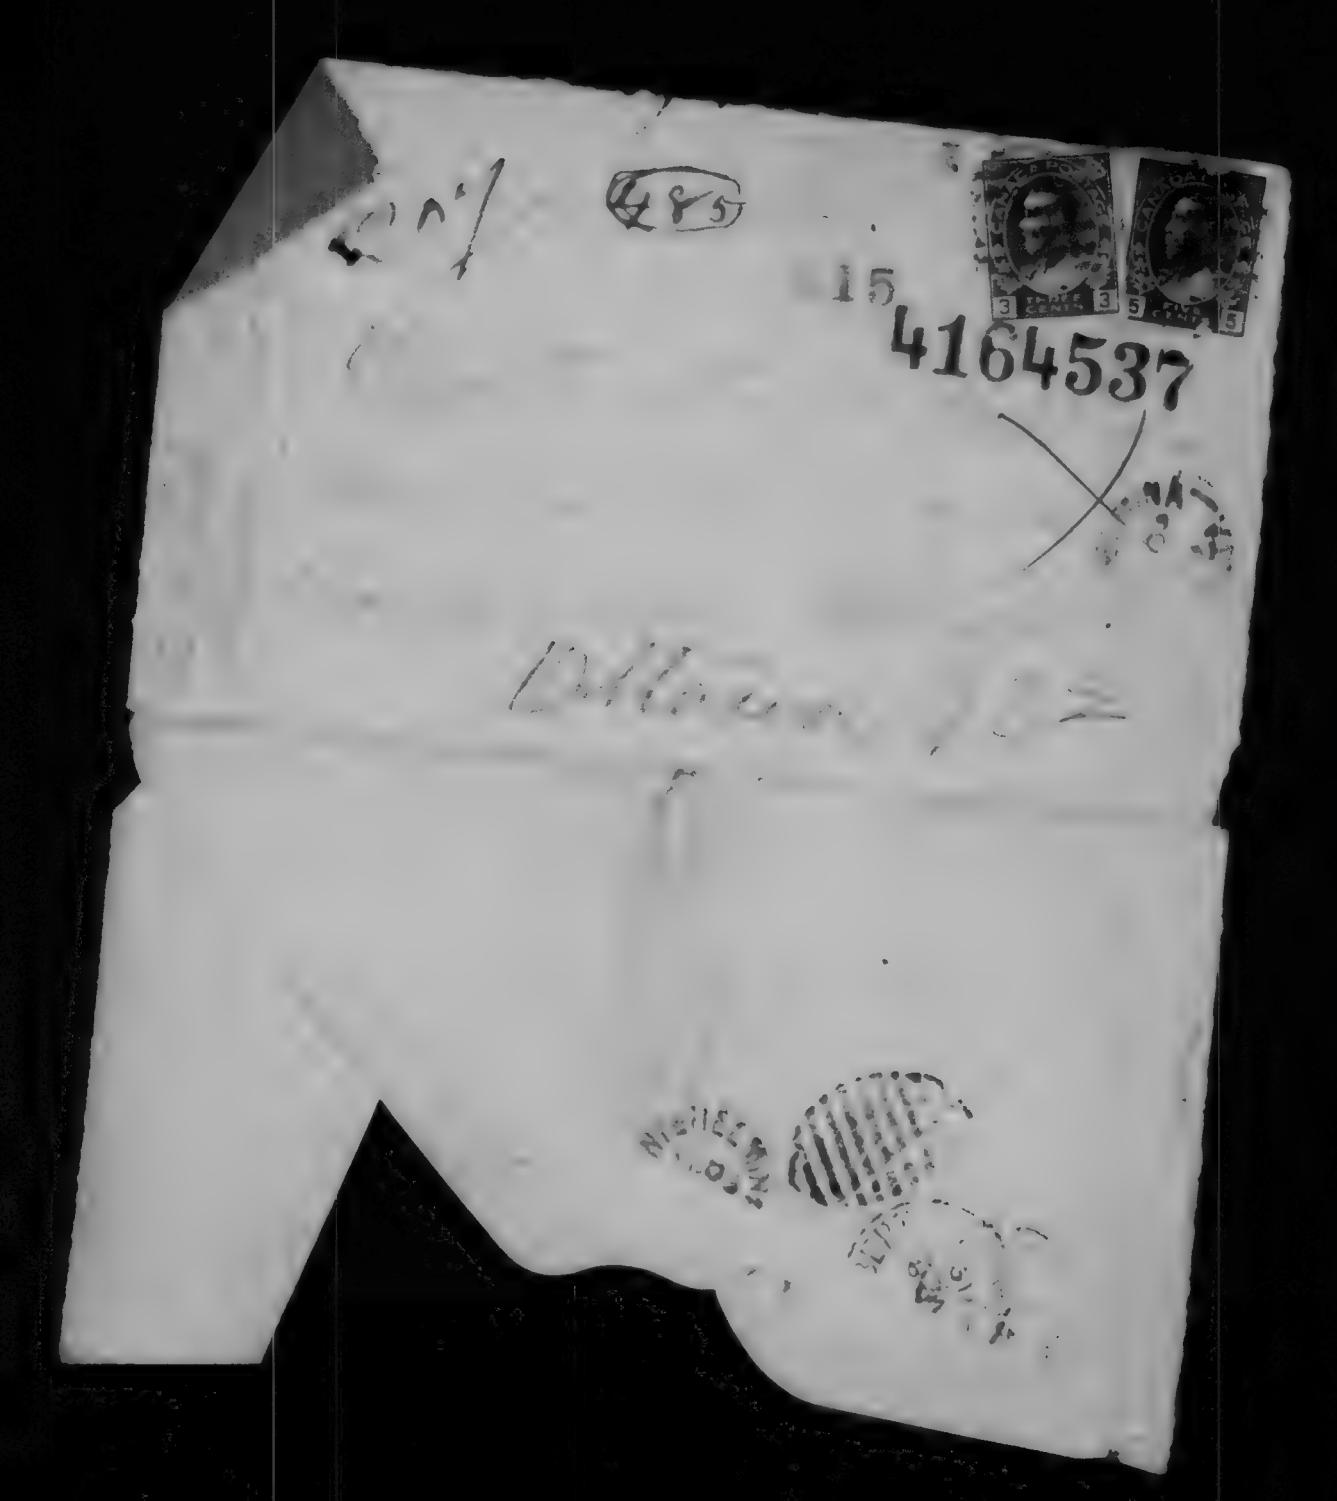

Sir:

With reference to the Departmental letter to you of the 26th of March last, I beg to advise that as there apparently is considerable doubt as to whether you and your brother, Mr. John Schmidt, resided on your homestead, covering the S. W. quarter of 3 -3 -3 east of the Fourth Meridian, the time claim in 1914, I would suggest that the better plan would be, providing each of you remained in residence on such land until the end of June, 1917, to attend with two disinterested witnesses, either at this office or before one of the Sub-Agents attached to this district, when fresh applications for patent will be accepted. If, on the other hand, residence was not performed to the end of June, 1917, it will be necessary for each of you to again take up residence on the land, remain there for a period of six months, and then make fresh applications for patent.

Your obedient servant,

TRAFALGAR BUILDING

OTTAWA, March 17, 1920.

MAR 17 1920

Sir,

I beg to acknowledge receipt of your letter of the 3rd instant, with reference to the different dates shown on the liens and notes referred to in my letter of the 27th February 1920. I have personally gone into these cases very carefully and I fail to understand why the liens do not bear the exact date of the notes.

If you will kindly refer to the memorandum for the guidance of Managers of the Chartered Banks you will observe that the notes and liens were to be signed at the same time in your presence. I have examined the liens referred to in my letter of the 27th February 1920 and find that the dates are stamped and witnessed by yourself.

Will you please explain why the notes do not bear the same dates as the liens. You can easily understand that the Department must be governed by the date of their security as we cannot collect interest from the farmer prior to the date of the lien, and if the request of the Department had been carried out in your office the dates on the notes and liens would be the same.

Your obedient servant,

Controller of Revenue.

Sir,

Re E.½-32-35-1-E.4th M.

I beg to acknowledge receipt of your undated statement as to the manner in which you are complying with the regulations in connection with your pre-emption entry above described.

According to your own statement and evidence which is on file, it would appear that you are short in both residence and cultivation duties. Cancellation proceedings, therefore, will be held over for a period of thirty days from this date within which you should satisfy the Agent of Dominion Lands at Calgary that you are in residence in connection with your entry and are endeavouring to increase the breaking to the equivalent in cost of eighty acres of ordinary prairie land.

Kindly note that your failure to comply with the foregoing will no doubt result in the cancellation of your entry without further notice to you.

Pre-emption - Paul Schmidt.
Entry granted 9th December, 1913.

Cancellation proceedings were instituted on the 28th March, 1924, for failure to apply for patent.

An Inspector on the 13th February of this year reported the entrant left three years ago; no improvements on the pre-emption; area fit for cultivation - 30 acres; suitable for homestead.

In the defence filed the entrant claimed residence to the end of 1919; $400.00 house and barn $200.00.

Mr. Schmidt was allowed until the 20th July to state intentions. He never replied.

An Inspector on the 20th ultimo reported entrant left Spring of 1921; nothing has been done on the homestead or pre-emption since that time. The Inspector was informed that the entrant does not intend to return to the land.

It would appear that the entry should be cancelled notwithstanding winter protection, and the land made available for ordinary settlement.

This Department has an old account against the above noted land for advances of seed grain to Paul Schmidt in 1919. We are anxious to bring our records up-to-date and if possible to settle this long outstanding account. It would assist us greatly if you would be kind enough to complete the attached form.

An addressed envelope which does not require a stamp is enclosed for this purpose.

Title to this land is presently vested in this Department having been acquired through proceedings under the Tax Recovery Act and is occupied at present under a long term grazing lease issued by this Department. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing.

In 1919 seed grain amounting to $201.50 was advanced to Paul Schmidt on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:

Principal	Interest	Total
$ 201.50	$ 461.79	$ 662.29

Patent was issuedin the name of Paul Schmidt for the S.W. 32-35-1-W4 on the 24th of January 1922, subject to the 1919 lien.

In reply to our questionaire of the 19th of May 1952, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:

"Title to this land is presently vested in this Department having been acquired through proceedings under the Tax Recovery Act and is occupied at present under a long term grazing lease issued by this Department. This land is located in that part of the Province designated Special Areas and as such there is little likelihood of same ever being disposed of by sale or utilized for any pur ose other than grazing."

The information obtained indicates that the landis unsuitable for farming purposes and no longer offers any security of value for our lien. Under the circumstances it is recommended that the indebtedness be cancelled and the lien discharged.

Re: Account of Paul Schmidt
S.G.A. 32-35-1-R.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

A Joint-Provincial and Federal advance of relief amounting to $34.50 was made to Paul Schmidt in 1920 on the security of the above-mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$34.50	$104.16	$138.66

The Provincial authorities have advised us that this lien is not registered against the title to this land.

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief. The Province of Alberta has agreed to cancel their share of the Joint Federal-Provincial indebtedness.

Therefore, it is recommended that the Joint-Provincial and Federal indebtedness listed above be cancelled without any payment.

Re S.W.¼ of 7-83-24-W. 5th M.
Reference 335.

Referring to your letter of the 26th ultimo, enclosing a report by Homestead Inspector McMullen, I beg to inform you that it has been decided in view of the evidence submitted to instruct you to cancel the homestead entry of Mr. B. Whitney for the above described quarter-section, on the grounds that in making entry he declared that there was no one in residence and no improvements; and restore that of Mr. Henry Lecasse free of charge. Kindly take the necessary action and notify everyone interested accordingly.

You may, however, revive cancellation proceedings on behalf of Mr. Whitney; hold the same in abeyance until the 1st of April next - instructing Mr. Lecasse that it will be necessary for him by the date mentioned to fully satisfy you that he has resumed residence in accordance with the regulations. Mr. Whitney may also be advised that he will, on application, be considered in the matter of a refund of the entry fee and anything which he may have paid for improvements, and also furnished with authority to take up another homestead on the ordinary terms.

The Certificate of the Militia Department has been compared with the application for entry, and identity is clearly established.

The Seed Grain Branch report no record.

The Director of Military Estates has written at the request of the father of the deceased entrant in reference to a patent for the land.

There appears to be no reason why a patent should not now be prepared for the above quarter-section in the name of the deceased entrant.

Sir,

Re Entry of 7-84-24, W. 5th M.

I beg to acknowledge the receipt of your letter of the 10th ultimo, with enclosure in connection with your Soldier Grant entry for the above described quarter section on which you were allowed the privilege of substituting stock in lieu of cultivation. In reply I am to say that where this privilege is granted the entrant is required to show, when making application for patent, that he has been the sole owner of stock as follows:

During the first year at least five head of stock.
During the second year at least ten head of stock.
From and after the expiration of the second year up to the date of the application for patent at least sixteen head of stock.

All stock would have to be kept on your Soldier Grant either for summer grazing or for winter feeding and substantial buildings for the accomodation of the whole number of stock to be kept in any year, will have to be erected and maintained to the satisfaction of the Minister during the whole period such stock is to be kept and solely owned by the settler; and such buildings shall be erected upon the homestead, purchased homestead or upon any land upon which the settler is entitled to perform residence duties.

It will also be necessary to have the whole of the quarter section enclosed by a substantial fence to the satisfaction of the Minister.

Under the circumstances I am to request you to fill out the enclosed Form 47 giving full details as to the number and kind of stock owned solely by you and kept on your Soldier Grant. You should then appear before a Justice of the Peace or Commissioner for taking affidavits or Agent or Sub-Agent of Dominion Lands and complete the affidavit.

The form properly completed should be returned to thins office within sixty days.

MEMORANDUM:

Mr. Perrin

S.W. 7-84-24 W.5th M.
Soldier Grant - William Pemberton
Entry granted - 9th June, 1919.

Application to have patent for this land vested in the Soldier Settlement Board under the Order-in-Council of the 4th June, 1921, (P.C.1821).

This entrant has obtained advances from the Soldier Settlement Board amounting to $2850.00 for stock and equipment and permanent improvements. In addition to the above land the Board holds a first mortgage on the settler's patented homestead, the S.E. 12-83-25 W.5th M.

The entrant has applied for patent claiming duties as shown on Form 58A hereunder. Apparently the duties have been performed in a satisfactory manner and the application has been accepted, but in view of the above mentioned loan he was advised that patent could not issue in his name until his indebtedness to the Board was paid in full.

In a memorandum hereunder dated the 4th ultimo, the Soldier Settlement Board reports the receipt of an application from the entrant to have patent for this land issued in favour of the Board. It is stated in the memorandum that the request for title is not affected by the recent amendment to Section 26 of the Soldier Settlement Act, as the advances were approved and made to the settler subsequent to his having obtained entry to the land in question. A Vesting Order for the Minister's signature is attached.

It is stated in the Vesting Order that the settler is residing on the land.

It is suggested that the necessary action be taken to have patent for this land issue in the name of the Board.

To: Commissioner

Dear Sir:-

I desire to apply for the issue of authority to enter for a second homestead.

I entered for a homestead in the year 1914 and covering North West of Sec. 19 Tsp 12 Range 1 West of the 4th. Meridian and I applied for patent for same in the year 1917 or 1918 which land I am still the owner of.

Will you be good enough to issue me authority under the Amendment to the Dominion Land Act.

I am entered as Adam Roll Jr. but since my father died in the year 1927 I am going by the name of Adam Roll, if the authority would issue in the name Adam Roll only I would prefer it, but if it makes it difficult to comply with this request I would not then object to have same issued with the original addition Jr. to distinguish between myself and father.

yours truly

Sir,-

N.W. ¼ Sec. 19 Tp. 12 Rge. 1 West 4th Mer.

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Secretary,

Honorable Sir:-

I applied for a homestead at Alsask, Sask., June 1918. The homestead was later granted me after completing the required duties for proving up in 1921. This land was northeast of Loverna, Saskatchewan, in the Cranmer township. I have lost the description numbers. Would this land be redeemable?

I went to Canada from the United States, when I was sixteen years old. I also joined the Royal Flying Corps in 1919 and was a cadet member of that division until the armistice. Does all this make me still a Canadian citizen regardless of my residence here in the States? I have been in this country since 1921.

Will you please write to me confirming the above if you can locate my application for homestead rights and the subsequent title of the homestead. I regret that I have no further details to give you that would assist in locating them in your files. I would also appreciate any information your office can send me relative to the purchase of government land.

Thanking you for your favor in this matter, I

I beg to inform you that Mr. Jolliffe of the Department of Immigration and Colonization, has forwarded to this office a copy of your letter of the 17th ultimo, drawing my attention to the information you desire regarding your homestead, which you state you filed on at Alsask, Saskatchewan, in June, 1918.

Re: Account of Isaac E. Smith,
S.E. 28-31-1-W.4th.

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1919 seed grain amounting to $74.40 was advanced to Isaac E. Smith on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$ 74.40	$ 171.80	$ 246.20

Patent was issued in the name of Isaac E. Smith for the S.E. 28-31-1-W.4th on the 15th of November, 1920, subject to the 1919 lien.

In reply to our questionnaire of the 19th of May, 1952, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"Title to this land is presently vested in this department having been acquired through proceedings under the Tax Recovery Act. This land is occupied at present under long term grazing lease and in view of its location in that part of the Province designated Special Areas there is little likelihood of same ever being disposed of by sale or utilized for any purpose other than grazing."

The information obtained indicates that the land is unsuitable for farming purposes and no longer offers any security of value for our lien. Under the circumstances it is recommended that the indebtedness be cancelled and the lien discharged.

Dominion Member,
Seed Grain Advisory Board.

Re: Account of Isaac E. Smith
S.E. 28-31-1-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

A Joint-Provincial and Federal advance of relief amounting to $50.00 was made to Isaac E. Smith in 1920, on the security of the above-mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$50.00	$150.70	$200.70

The Provincial authorities have advised us that this lien is not registered against the title to this land.

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief. The Province of Alberta has agreed to cancel their share of the Joint Federal-Provincial indebtedness.

Therefore, it is recommended that the Joint-Provincial and Federal indebtedness listed above be cancelled without any payment.

F. W. Stinson.

Re: Account of Isaac S. Smith
[redacted]

The undersigned members of the Seed Grain Advisory Board, having taken into consideration the attached report, approve the settlement outlined therein and do hereby recommend:-

1. That the joint- provincial and federal indebtedness, which is more particularly described in the attached report, be cancelled without any payment.

Sir,-

N.E. ¼ of Sec. 28 Tp. 59 Rge. 12 West 4th Meridian

Referring to your application for the privilege of taking up a second homestead, I beg to inform you that an amendment to the Dominion Lands Act has been passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

As if you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

Dear Sir, Re: John Matwjczuk- Naturalization.

I have been endeavoring to obtain a copy of Naturalization Certificate which I am informed was granted to John Matwjczuk (Matwychuk) but have been unable to locate any file under this name with the Secretary of State.

I am informed that Mr. Matwjczuk obtained patent for the N. E. ¼ of Sec 28 Tp.59 Rge 12 W4th on February 5th 1921 and it occurs to me that his Naturalization Certificate must have been produced when making application for patent.

I will be greatly obliged if you will look up this file and advise me if this man produced such Certificate and if your records contain this information the number and date of such certificate.

I may say that Mr. Matwjczuk died some time ago and the Certificate is required by his widow in proof of her citizenship.

Dear Sir:

RE: N.E. 28-59-12-W.4th M.
John Matwjczuk.

I have your letter of the 16th instant to the effect that you are desirous of obtaining a copy of the above mentioned man's Certificate of Naturalization.

In this connection I am to state that when making application for patent on the 2nd July, 1919, the said John Matwjczuk did not furnish a Certificate of Naturalization. Patent issued in his favour in view of the fact that the Under-Secretary of State, Naturalization Branch, (his reference #6472/19) advised on the 20th January, 1921, that a Certificate of Naturalization had issued in the application of the said person under Section 2 of the Naturalization Act. This established to the satisfaction of this Department the nationality of the applicant for patent and he was not called on to forward such document here.

I am, however, forwarding a copy of your letter along with a copy of my reply thereto to the Under-Secretary of State, Naturalization Branch, in this City. It is possible that you will also be advised from that source in due course.

Re: Account of Jan Matwjchuk,
N.E.¼ 28-59-12-W4.

Dear Sir:

During the year 1917 while homesteading the above mentioned land, Mr. Jan Matwjchuk received seed grain as a loan from the Government of Canada. The loan was secured by a lien on the title of the land, of which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $145.78 of which $52.80 is principal and $92.98 is interest.

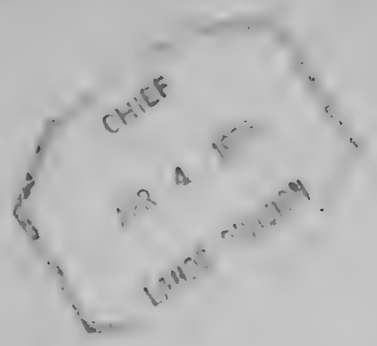

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the lien.

Yours very truly,

Dear Sir:

Reference your letter under date of February 9, 1956 re account of Jan Matwjchuk, N.E. ¼ 28-59-12-W4, advising that a lien amounting to a total of $145.78 is outstanding on the title of the land now registered in my name.

During the last four or five years yield on this land hardly met the expenses incurred putting the seed into the ground, and since 1954 a good part of the above captioned land had been condemned from seeding by the local Municipality account excess weed growth, a situation I am presently trying to correct, but it may be another two or three years before weed control achieved and release for seeding again approved.

Crops in general in this area have been poor the last few seasons, but, either because of the difference in the soil quality or contour of the land, my yield did not do as well as some surrounding farms.

Presently I am indebted to a certain extent in machinery payments, store bills, and especially feel the requirements necessary for proper medical attention to my wife who is suffering from several ailments, especially diabetes which alone calls for twice daily insulin injections.

In view of the above, it would greatly aid my financial standing if the debt be reduced to principal which I could settle in small payments.

Would appreciate if you would review the account and consider the request. Thanking you in advance, I remain

Yours very truly,

Re: Account of Jan Matwjczuk
N.E.¼ 28-59-12-w.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1917 seed grain amounting to $52.80 was advanced to Jan Matwjczuk on the security of the above-mentioned land. A payment of $10.00 was received in 1924, and applied to the interest. The present standing of this account is:-

Principal	Interest	Total
$52.80	$108.03	$160.83

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief.

Therefore, it is recommended that the Dominion indebtedness listed above be cancelled without any payment, and the liens be discharged.

Re: Account of John Natwiyezuk
N.E. 4-59-12-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

A Joint-Provincial and Federal advance of relief amounting to $56.10 was made to John Natwiyezuk in 1920 on the security of the above-mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$56.10	$107.22	$223.32

The Provincial authorities have advised us that this lien is not registered against the title to this land.

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief. The Province of Alberta has agreed to cancel their share of the Joint Federal-Provincial indebtedness.

Therefore, it is recommended that the Joint-Provincial and Federal indebtedness listed above be cancelled without any payment.

F. W. Stinson.

Re: Account of Andrew Galas
S.I., 9-60-12-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

A Joint-Provincial and Federal advance of relief amounting to $59.20 was made to Andrew Galas in 1920 on the security of the above-mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$59.20	$150.22	$209.42

The Provincial authorities have advised us that this lien is not registered against the title to this land.

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief. The Province of Alberta has agreed to cancel their share of the Joint Federal-Provincial indebtedness.

Therefore, it is recommended that the Joint-Provincial and Federal indebtedness listed above be cancelled without any payment.

Posting of Soldier Settlement Land.

T. 15, E

194156. Edmonton, Alta., Apr. 11th, 191 9

Notice is hereby given that after the expiration of 10 clear days from the date thereof, that is, on and after the 22nd Apr. 191 9, the N.E. ¼ of Section 24 Township 56 Range 15 West of the 5th Meridian, will be available for entry, providing the land is of the class suitable for farming and is unoccupied, as follows:—

On the day last above mentioned the privilege of entry (either as an ordinary homestead or as a soldier grant) is restricted to a "settler," as defined by the Soldier Settlement Act, eligible to make entry who holds an adjoining quarter section under homestaed or soldier entry, or who obtained homestead patent for such quarter section and is still the owner thereof, or who was a squatter before survey on such quarter section. The regulations relating to conflicting claims by adjoining settlers will be found in full at the foot of this notice.

On the succeeding day and thereafter (unless entered for or reserved for an adjoining settler) the land will be available for entry—

(*a*) as an ordinary homestead by any person eligible to make homestead entry who is on active service in the Naval or Military Forces of His Majesty or of His Majesty's Allies (either in person or by proxy);

(*b*) by a "Settler" as defined by the Soldier Settlement Act as an ordinary homestead, provided such settler is eligible to make homestead entry;

(*c*) by a "Settler" as defined by the Soldier Settlement Act as a soldier grant.

Paragraph (*c*) of Section 2 of the Soldier Settlement Act, 1917, defines "settler" as follows:—

"Settler" means any person who has served in the naval or military expeditionary forces of Canada during the present War, or who was engaged in active service during the present War in the naval or military forces of the United Kingdom or of any of the self governing British Dominions or Colonies, or who, being a British subject resident in Canada before the War has been engaged in active service at one of the seats of war in either the naval or military forces of any of His Majesty's Allies in the present War and who has left the forces with an honourable record, or who has been honourably discharged, and the widow of any such person who died on active service.

Any person who is desirous of making entry must visit the land personally before making his application, and satisiy himself that there is no one in residence, as he will require to swear when making application for entry that the land is unoccupied. The intending applicant should, at the same time, carefully examine and estimate the value of the improvements, if any.

The application for entry (unless made by proxy), may be made either at this office or at the office of the Sub-Agent of Dominion Lands in whose district the land is situated.

Application for entry by proxy is permitted in the case of a person making application on behalf of father, mother, brother, sister son, daughter or husband, when authorized to do so in the form prescribed. In such a case the proxy will require to appear personally at the office of the *local Agent* (not Sub-Agent).

No fee is charged in connection with a soldier grant.

The entry fee if taken as a homestead will be $10. According to evidence on file in this office there are improvements upon the land stated to be worth $

Payment for Improvements.

Before a person is granted entry for a homestead or a Soldier Grant, he *shall declare what improvements*, if any there are upon the land for which he applies, *and pay* to the Agent or Sub-Agent *the full amount of his valuation* of such improvements. Should he fail to make such declaration his entry shall be liable to cancellation.

In the event of uncertainty as to the correctness of the entrant's valuation, or if the value of the improvements is placed at over $25 the Agent shall cause such improvements to be examined and valued by a Homestead Inspector. If a surplus has been paid, the excess amount may be refunded. If insufficient has been paid the entrant must at once pay the difference, otherwise his entry may be cancelled.

Payment of Indebtedness Charged Against the Land.

The following indebtedness is charged against this land $. If the amount collected for improvements is not sufficient to make up this indebtedness, the applicant for entry is required to pay the full amounts so as to make up the full amount of indebtedness.

Regulations relating to conflicting claims by adjoining settlers.

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows: –

CONFLICTING CLAIMS

33 In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their prospective entries, or the commencement of residence in the case of squatters before survey.

34 To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate of entry for such land until the close of the office hours of the day on which the prior right of entry is considered, or until the morning of the following day.

Provided that if the Agent is advised by wire or otherwise on such day by a Sub Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of day of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub Agent or local representative has been received.

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board.

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35 Any land which, after having been posted in the manner hereinbefore described, has not been entered for by an adjoining settler on the first day on which such land became available for entry, or if it had not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

Sir,

Re: N.E.¼-24-56-15-W. 5th M.

I am in receipt of your statutory declaration of the 31st ultimo, setting out the number of stock owned by you and maintained on your Soldier Grant, the above described land, for the past twelve months. According to your statement, the entry is in good standing with respect to the maintenance of stock on the land.

It would appear, however, that your entry is liable to cancellation proceedings because of your failure to enclose the quarter-section with a substantial fence.

Please report to the Agent of Dominion Lands at Edmonton, within the next thirty days, what your intentions are with respect to completing the fencing required by the terms of your entry in the near future. If you will give the Agent a detailed statement of the manner in which you have performed the settlement duties in each year since the date of your entry, that official will advise you what further duties, if any, are necessary before you will be in a position to make a successful application for patent.

No Soldier Grant Entry shall be made to any settler who,—

(a) has pursuant to the provisions of the Soldier Settlement Act, 1919, purchased from the Board any land; or,

(b) has pursuant to the provisions of the said Act or of the former Act, secured from the Board any advance of money for the clearing of encumbrances on, or the purchase of, or the improvement of, any land; or,

(c) is owner of or has a vested possessory interest in agricultural land of such area as, in the opinion of the Board, constitutes an average farm for the district within which the land is situated, or which, in the opinion of the Board, is of the value of five thousand dollars.

Unless otherwise determined by the Board, every applicant for soldier entry shall be required to make a declaration in the form prescribed by the Board that he is not by reason of the foregoing provisions debarred from such entry. Where such declaration is subsequently found incorrect in any material particular the entry, if granted, shall be liable to cancellation.

Regulations relating to conflicting claims by adjoining settlers.

Sections 33 to 35 of the Soldier Settlement Land Regulations, 1918, read as follows:—

CONFLICTING CLAIMS.

33. In the event of there being more than one applicant claiming the prior right of entry under the preceding section, the priority of their claims shall be determined by the priority of the dates of their respective entries, or the commencement of residence in the case of squatters before survey.

34. To ensure due consideration being given to the rights of all persons claiming priority, the Agent shall receive all applications for entry offering under the preceding section, if requested to do so, but shall issue no certificate for entry for such land until the close of the office hours of the day on which the prior right of entry is considered; or until the morning of the following day;

Provided that if the Agent is advised by wire or otherwise on such day by a Sub-Agent or a local representative of the receipt by him of an application for entry from a person claiming a prior right of entry for the land affected, and it is evident from the records that such person, by reason of the priority of date of his entry for or commencement of residence on the adjoining homestead has a better claim than any of the other applicants appearing in person, the Agent shall hold the land until such application made before the Sub-Agent or local representative has been received;

Provided further that if on account of sickness or other satisfactory reason shown to the Agent, a settler who according to the records has a prior right of entry over all other applicants, is unable to appear in person on such day, the Agent may hold the land for such settler for a reasonable length of time, reporting immediately all the circumstances of the case to the Board;

Provided also that if the Agent is in doubt as to the priority of any applicant, he shall not grant entry on the land affected, but refer the matter to the Board for consideration.

35. Any land which, after having been posted in the manner hereinbefore described, has not been first entered for by an adjoining settler on the first day on which such land became available for entry, or if it has not been reserved for any of the reasons above mentioned, it shall be open for entry on the following day to any settler eligible to make entry under these regulations.

Re: Account of H.W. Bruntjen
N.W. 17-31-3-W4

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1919 seed grain amounting to $224.75 was advanced to H.W. Bruntjen on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$ 224.75	$ 504.53	$ 729.28

Patent was issued in the name of H.W. Bruntjen for the N.W. 17-31-3-W4 on the 22nd of June 1921 subject to the 1919 lien.

In reply to our questionaire of the 15th of January, 1952, J.H. Todrick, Supervisor, Special Areas, Department of Municipal Affairs, Province of Alberta, wrote as follows:-

"Title to this parcel is presently vested in this department having been acquired through proceedings under the Tax Recovery Act and is covered at present by a long term grazing lease issued by this department. This land is located in that part of the Province designated "Special Areas" and as such there is little likelihood of same ever being disposed of sale or utilised for any purpose other than grazing.

As the land no longer offers any security of value and is such that it cannot be used for farming purposes, it is recommended that the indebtedness be cancelled and the lien discharged.

Sir,

Land

S.½ 6-25-3 W.4th M.

Referring to the application for patent made by you on the
for the above described land, I beg to inform you that before any further action can be taken in connection therewith it will be necessary for you to arrange for the payment of the purchase price of this quarter section.

The standing of the payments in question is as follows:-

1st	Instalment,	$160.00	due	17-7-19	with interest.
2nd	"	64.00	"	17-7-20	" "
3rd	"	64.00	"	17-7-21	" "

5th	"	64.00	"	17-7-23	

Balance of principal $64.00 on which no interest is payable until instalments are due.-

Up to the 1st September, 1919, the rate of interest will be five per cent per annum. After that date, interest will be computed on all overdue instalments then remaining unpaid at seven per cent instead of five per cent.

You should take steps to pay off this indebtedness, or at least to substantially reduce the same. Any payments made should be remitted to the Agent of Dominion Lands at Calgary

If, for any reason, you are unable to make the payments referred to, or any substantial portion thereof, and desire to mortgage or sell the land with a view to paying off this indebtedness, you may make application to the Agent of Dominion Lands for a Certificate of Recommendation in your favour.

You should distinctly understand, however, that in the event of this Certificate being issued, and your subsequently mortgaging or selling the land, any indebtedness to the Department will be a first charge on such transaction, and it will be necessary for you to secure sufficient cash to pay off such indebtedness in full.

Homestead Inspector,
Dear Sir:-

You called to see me the other day and asked me to write to you in regard to my pre-emption payments now due and also my seed grain lien.

This fall is the first crop I have had since I came on this land and this crop was so small that after paying for labor and other bills I find myself with nothing left at all.

I intend to pay this account just as soon as I can but it will be another year before I can do a thing toward paying for this land.

I hope that you will give me an extension of time as I have done a lot of improvements on this land and would hate to lose it now.

Hoping to hear from you soon,

I remain,

Yours respt.

Geo. Leslie.

Sir,-

N.W. ¼ Sec. 6 Tp. 25 Rge. 3 [illegible] Meridian

Referring to your application for [illegible] privilege of taking up a second homestead, I beg to inform you that during the recent session of Parliament an amendment to the Dominion Lands Act was passed granting those settlers, who had obtained patent, or who had become entitled thereto on or before the 1st January, 1925, the right to make a second homestead entry on the usual homesteading terms.

Therefore, if you are the person who obtained patent for the quarter section above described, and provided this is the only land for which you have obtained homestead patent, you are entitled to another homestead, and the presentation and surrender of this letter to any Agent or Sub-Agent of Dominion Lands will be his authority for granting you homestead entry for any vacant and available quarter section of Dominion Lands on the usual terms, provided he is aware of no reason to the contrary.

I may further inform you that the holder of an unpatented pre-emption or purchased homestead entry will not be permitted to abandon the same in his own favour or in favour of a relative for the purpose of making entry for the land as a second homestead.

If you are indebted to this Department for seed grain or relief, the land taken under the authority of this letter will be subject to such indebtedness.

George Leslie, Esq.,
Acadia Valley,
Alberta.

Your obedient servant,

[illegible]
Acting Commissioner
of Dominion Lands.

P.S. You will observe that you cannot relinquish your unpatented pre-emption, the S.W. 6-25-3-W. 4th Meridian, and secure prior right to obtain it as a second homestead. If you relinquish your pre-emption the land would have to be posted for ten days in the usual manner and then made available for entry by the first eligible applicant to apply therefor.

Re - NW¼ 6-25-3-W4th.

An Inspector visited the above mentioned land in June last with a view to collecting the amount of your seed grain indebtedness. He reported that at time you were not in a position to pay. However as you cropped twenty acres to wheat and ten to oats of your own land and 60 acres of wheat on rented land from which your share is half, it is considered that you should at least considerably reduce the debt from last season's crop. Please advise what you are prepared to do.

Re N.W.6-25-3-W.4th,
Homestead - George Leslie,
Patented 24th November, 1919.
N.W.1-25-4-W.4th,
Second homestead - George Leslie,
Cancelled 7th March, 1929.

Please see communication hereunder from the Agent of Dominion Lands at Calgary dated the 16th ultimo wherein he requests to be advised if the indebtedness of George Leslie incurred on the security of the N.W.6-25-3-W.4th will be held as a charge against his cancelled second homestead, the N.W.1-25-4-W.4th.

The indebtedness in this case was incurred by George Leslie in 1919 on the security of the N.W.6-25-3-W.4th and amounts, with interest computed to the 31st ultimo, to $263.38. The Lien was attached to patent when the same issued in the Lienee's name on the 24th November, 1919.

When the Lienee obtained entry for the N.W.1-25-4-W.4th as a second homestead, the indebtedness automatically became a charge against the same. However, as he obtained entry for this land on the 27th November, 1928, and executed Declaration of Abandonment in connection therewith on the 26th January last - a period of only two months - and as during that time he did not perform any improvements on the land, it would seem inequitable that the indebtedness should remain charged against this land. It is also observed from the Lienee's Declaration of Abandonment that he intends making entry for the N.W.6-25-3-W.4th as a second homestead, and the indebtedness would then be made a charge against this land.

I would, therefore, suggest that the Agent be advised that the N.W.1-25-4-W.4th may be posted for entry free of encumbrance.

Sir:

I am in receipt of your communication dated the 16th March last wherein you request advice as to whether the Seed Grain indebtedness incurred by George Leslie in 1919 on the security of the N.W.6-26-3-W.4th should remain a charge against his cancelled second homestead, the N.W.1-26-4-W.4th.

In this connection I would advise you that, as the Lienee held this land for a period of only two months, from 27th November to 26th January last, and as during that time he did not perform any improvements on the land, it would seem inequitable that the indebtedness should remain a charge. It is also observed from the Lienee's Declaration of Abandonment that he intends making entry for the N.W.6-26-3-W.4th as a second homestead, and the indebtedness would then be made a charge against this land; and in view of the fact that the indebtedness still remains a charge against the N.W.6-26-3-W.4th through registration, it has been decided that the N.W.1-26-4-W.4th may be posted for entry free of encumbrance.

shows that he has lived continuously for 13 years on the N.W. 6-25-3-W. 4th, land owned by him, but that nothing has been done on the land in question.

In a communication which accompanied this statement he requested to be allowed to homestead the S.W. 7-25-3-W. 4th instead of his father's land--his reason for such a request is that his father's land is six miles distant from his own land, whereas the S.E. 7 adjoins his own land. He also states that he has a lease from the S.E. 7. I might state that Mr. Leslie secured second homestead entry for the N.W. 21-25-4-W. 4th.

As Letters Probate of the will of his father have evidently not been taken out, he could not abandon the entry.

As this is a very unsatisfactory case in view of the fact that nothing has been done on the land, I think that cancellation proceedings should be instituted against the entry on the grounds of default in duties.

20th September, 1929.

MEMORANDUM:

Mr. Perrin.

Re-S.W. 2-24-4-W. 4th.
Homestead entry of Robert Leslie, deceased.
Entry granted, 10th June, 1920.
No cancellation proceedings.

In June, 1925, George Leslie, son of the deceased entrant, communicated with the Department to the effect that according to his father's last will, he willed him all his interests in his real estate and personal property, and the son requested to be advised as to what was required in order to earn title to this land. He further advised the Department that the land was very rough and stony and only fit for grazing purposes and suggested that if he paid all arrears of taxes could he obtain title for the land without performing any further duties.

He was advised that before he could obtain title to the land it would be necessary for him to complete the required cultivation duties but if the land was unsuitable for agriculture, he could make application to substitute stock in lieu of cultivation and it would be also necessary for him to have his father's will probated and the Department furnished with a certified copy thereof.

Inspector Marcombe reporting in April, 1926, stated that there were 25 acres in patches fit for cultivation but that the land was more suitable for grazing than agriculture. In view of this report Mr. Leslie was allowed to substitute stock.

Mr. Leslie was furnished forms in 1926 and 1927 with a view to having him report the number of stock kept on the land but he failed to complete the forms and return to the Department. On the 13th June last he was called upon to furnish evidence as to what progress had been made on the land.

E. C. McClean, Barrister of Oyen, Alberta, communicated with the Department in July last to the effect that owing to crop failures Mr. Leslie was unable to place stock on the land and that his client had instructed him to report to the Department that he had been sick all summer. The Medical Certificate was furnished on the 4th ultimo to the effect that Mr. Leslie would be physically able within three weeks from that date to perform duties.

In view of this information, Mr. Leslie was allowed a period of 30 days within which to state his intentions with regards to completing the settlement duties. He has now furnished the Department with a statement on Form 36½ which

I am to acknowledge the receipt of your communication of the 6th instant together with a statement showing that no settlement duties have been performed on the above described land and that you request that the entry for this land be cancelled in the [redacted]

In reply I am to say that in view of the fact that entry has been held for this land since the 10th of June 1918 and to date nothing has been done in the way of settlement duties the Agent of Dominion Lands at Calgary is being instructed to commence cancellation proceedings against the entry on the grounds of default in duties and unless a defence is filed showing that some effort is being made to complete the required duties for the earning of title to this land, no doubt the entry will be cancelled.

With regard to your request to exchange the entry, I might say that there is no provision in the regulations whereby this privilege could be granted you.

Re: Account of George Leslie,
L.E. ¼ 6-25-3-W4.

Dear Sir:

During the year 1919 while homesteading the above mentioned land, Mr. George Leslie received seed grain as a loan from the Government of Canada. The loan was secured by a lien on the title of the land [redacted] which we understand you are now the registered owner. No doubt you will be interested in settling the debt and having the title of your land cleared. The amount outstanding is $554.92 of which $154.25 is principal and $400.67 is interest.

The Seed Grain Advisory Board was set up by the Government of Canada some years ago to investigate seed grain, fodder and relief accounts and in cases where the amount of the indebtedness is large compared to the value of the land or other circumstances exist, to recommend a reduction of the debt.

You may feel that there are extenuating circumstances in your case. If so, you should write to the undersigned giving full details which will be presented to the Seed Grain Advisory Board for consideration. The Board will then review the account and you will be advised of the minimum settlement required to pay off the lien.

Yours very truly,

O.K. LeCapelain,
Chief, Lands Division.

Gentlemen:

George Leslie died about 2 months ago, leaving an estate of very little value when debts are paid.

In his will he has named a sister, two nieces and one nephew as beneficiaries. In the meantime the sister died, and as one of the administrators of the estate, I can state we are about to settle up all debts and remit the surplus to the heirs as their interest appears.

Will you therefore please let us know the amount that you will require to discharge your 1919 lien, having in mind that it may take us three months to raise the money.

Yours truly,

Dear Sir:

Re: N.E. 6-25-3-W.4th

We are enclosing a copy of a letter received from Mr. W. F. Peers, Acadia Valley, Alberta, concerning the account of George Leslie charged against the above land. In addition to our liens there are also a number of liens registered against this quarter section by the Provincial Government.

As we believe that Mr. Peers would like to obtain a clear title, it would be appreciated if you would write to him and try to negotiate a settlement in full of both our claims. The following liens are shown on the Abstract of Title:-

Nature of Instrument	Date of Registry	Grantor	Amount
Seed Grain Bond	-	Crown	$154.25
Seed Grain Lien	10 May, 1920	M.D. of Acadia #241	$73.60

Relief Lien	16 May, 1922	M.D. of Acadia #241	$12.00

Dear Sir: Re: N.E. 6-25-1-W.4th

We wish to thank you for your letter of the 23rd of February, 1956, informing us of the extenuating circumstances which you believe warrant a reduction in the account of George Leslie emerged against the above land.

Recently we obtained an Abstract of Title on this land which shows certain liens registered by the Provincial Government for Agricultural Relief Advances. As we believe that you would like to have these included in whatever settlement is made, we are writing to Mr. S. Cherkas, Chief Collector, Department of Municipal Affairs, Edmonton, Alberta, with a view to having all the Provincial liens included. We expect that you will hear from Mr. Cherkas within the next few days.

Sir: Reference No. 3261036

I enclose herewith a report furnished by Homestead Inspector Cunningham in connection with the seed grain indebtedness incurred by Tomasko Popowich in connection with his patented homestead, the N.W.¼.32-55-10-W.4th. M.

I propose to write to Mr. Popowich giving him until the 1st April to pay at least a part of the amount owing, but before doing so, I would ask you to advise me why in your various statements and in your letter to him of the 21st September last, you mention only the one lien for $82.20. There is another lien on file here for $80.00 dated the 14th April, 1920, which is apparently registered against the title.

RE: LAND TITLES REGISTRATION NO. 6657 BR
DATED OCT. 19, 1920 - NW¼-32-55-10-W4
EDMONTON, ALBERTA

Dear Sirs:

I am contemplating buying the above land but it seems that there is a lien of $142.20 @ 7% since 1920 on it. Land Titles at Edmonton thought it might be a Dominion lien and that if it was paid at one time, it would appear on your files.

I would appreciate it if you could let me know if that lien has been paid or if it still stands at $142.20 @ 7% since 1920. Also if it is not paid, please let me know the exact amount owing now plus interest, etc.

Yours very truly,

Dear Sir: Re: N.W. 32-55-10-W.4th.

We have been informed by Isidore Gregorashchuk, Esq., 9409 - 110 Avenue, Edmonton, Alberta, that there is a lien for $142.20 charged against the above land in the name of T. Re: Account of T. Popowich
N.W.¼ 32-55-10-W.4th

The matter of an application for an adjustment of indebtedness outstanding against the above mentioned party is referred to you, constituted as a Board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

In 1920 seed grain amounting to $82.20 was advanced to T. Popowich on the security of the above mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$82.20	$207.05	$289.25

Patent was issued in the name of Tanasko Popowich for the N.W.¼ 32-55-10-W.4th on the 25th of September, 1920, subject to the lien.

This quarter-section of land is of low assessed value and has never been revenue producing sufficiently to enable the repayment of the lien.

In 1924 the land became subject to forfeiture proceedings for nonpayment of arrears of taxes and title was acquired by the Municipal District of Champlain No. 544.

The municipality have been unable to dispose of the land by sale and according to an Abstract of Title dated the 30th of January, 1936, title still stands in the name of the Municipal District of Champlain No. 544.

The information obtained indicates that the land is such that it no longer offers any security of value for our lien. Under the circumstances it is recommended that the indebtedness be cancelled and the lien discharged.

The matter of an application for an adjustment of indebtedness outstanding against the above-mentioned party is referred to you, constituted as a board to deal with such cases. Having completed an investigation I am now in a position to report as follows:-

A Joint-Provincial and Federal advance of relief amounting to $60.00 was made to Tanasko Popowich in 1920, on the security of the above-mentioned land. No payment has ever been received and the present standing of this account is:-

Principal	Interest	Total
$60.00	$180.60	$240.60

The Provincial authorities have advised us that this lien is not registered against the title to this land.

By a Cabinet directive of the 17th of May, 1960, approval was granted to discontinue negotiations for compromise settlements after the 15th of April, 1960, and to cancel the remainder of the Federal share of outstanding indebtedness for Seed Grain, Fodder for Animals and other Relief. The Province of Alberta has agreed to cancel their share of the Joint Federal-Provincial indebtedness.

Therefore, it is recommended that the Joint-Provincial and Federal indebtedness listed above be cancelled without any payment.
